His Excellency Dr. Abdullah Al Kindi / CEO & Founder of ICPM

My Story

“ While exploring the world, I had the chance to learn from people of different cultures. Different places, different faces – but at the end, a single message:
- The better we communicate, the better our relationships - With this Insight, I created immediately a unique platform in the UAE. ICPM was born. I gave medical companies the incredible chance to make more business, in a fast way, not only with other companies, yes, you hear right, also with the strong leaders of the Emirates. Communication is ICPM’s golden tool –
so start your communication today with ICPM! ”

That's ICPM

**Medical Conference & Exhibition for worldwide health care operators.
Find now the right business relation to make more business!**

Healthcare is one of the fastest growing mega markets in the world. It is growing incredibly fast and needs therefore professional guidance!

how it was...

We all made our experiences with huge exhibition, where we often feel not getting the necessary attention as expected. Since years, there was a big gap in this market. Multiple companies, often with similar products, were fighting for their next deal at the same exhibition.

Don't lose your time and money at overloaded exhibitions without any professional guidance!

Time for a change!

Now this gap is closed! We created a place, where the need of providers and consumers are coordinated, to reach both goals in the most effective way. The CEO, Dr. Abdullah Al Kindi, welcomes you personally to ICPM. His promise to you, ICPM will find the right business partners which matches to your needs. This is just possible, because ICPM has the power of a strong health care network and years of business experiences in this sector. The most incredible thing is, that ICPM gives you the exclusive chance to meet one on one with local key authorities of the governments, decision makers and great investors of the UAE!

So let us set together the new standard in communication!

“It feels so good
to know, you made
the right decision”

Our Values

*“Try not to become a man of success. Rather become a man of value.”
— Albert Einstein*

WE BELIEVE IN TRANSPARENCY: *Be like water!*

Not without good reason, is water the one life spending element. It is so simple and at the same time the most incredible element on earth. Its transparency enhances its quality.

We just love water!

WE BELIEVE IN TRUST: *Looking through*

We look as best as we can through the eyes of all our partners. Only when we really understand the needs of each other, we will reach the top of the mountain together. Being authentic is simple and at the same time essentially for our common journey.

That's how we define trust!

WE BELIEVE IN PASSION: *Brilliant ideas come from brilliant*

We love what we do. We know fulfillment at work is the basis for innovational ideas - All of our team members are like glowing lights. Only by working hand in hand, all our lights will glow together as one. One ray of light is also called bright laser. So let's take this bright laser to create a greater future for all of us!

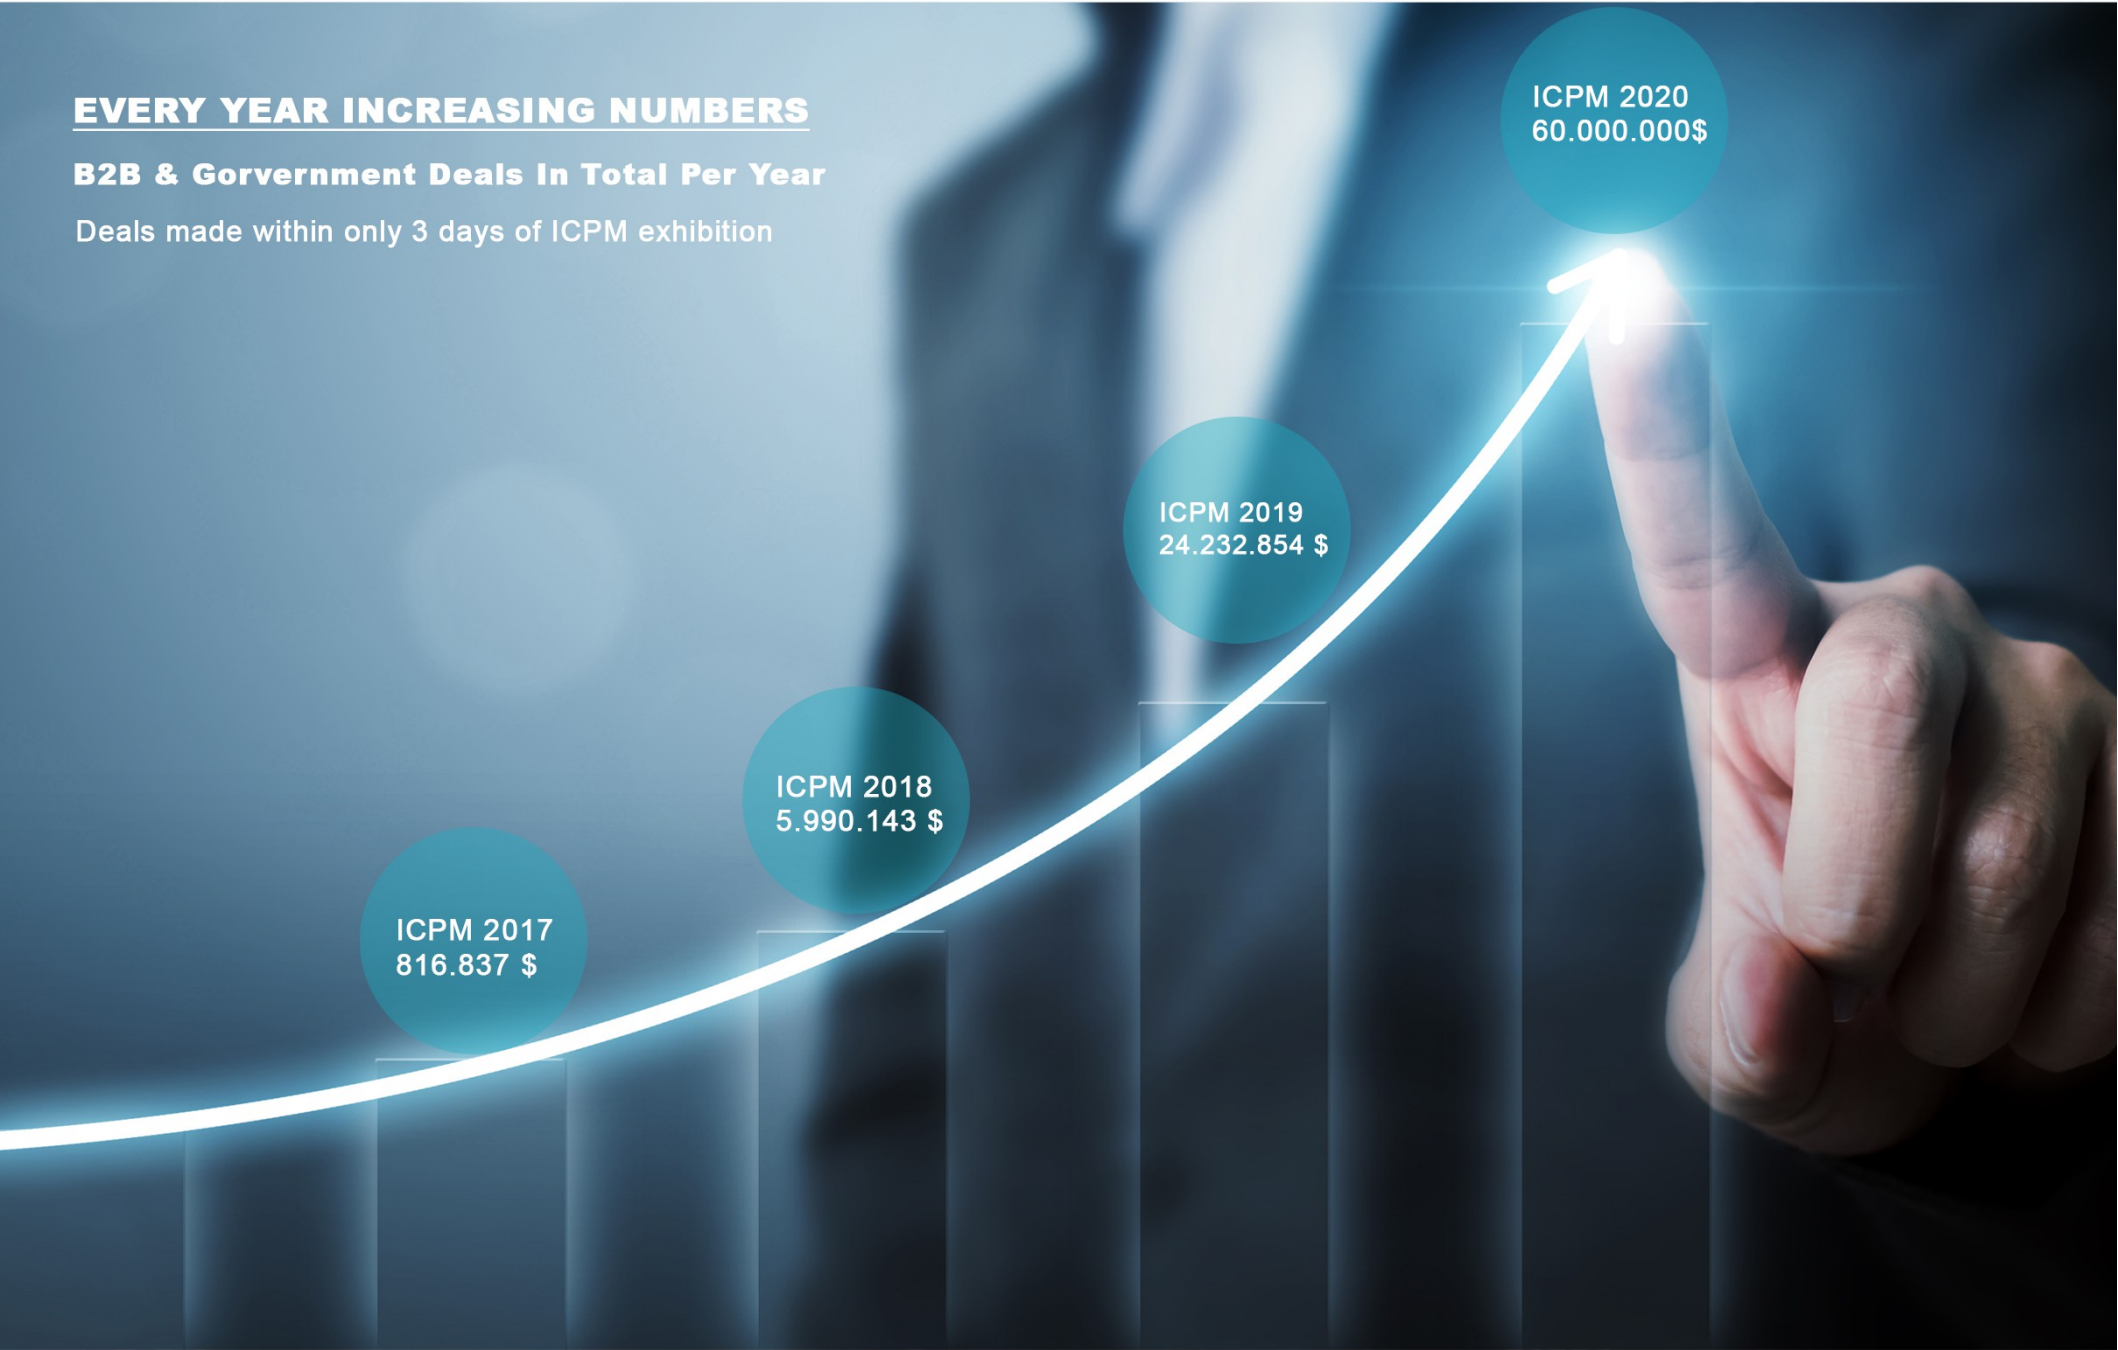

Let us point together our laser towards future!

UAE's great prospects

The United Arab Emirates can be rightfully termed a global phenomenon. In less than 50 years, the country has emerged from a sandy desert into a futuristic centre. This is a real business oasis!

The economy of the United Arab Emirates is the second largest in the Middle East with a gross domestic product (GDP) of USD 414 billion in 2018.

- UAE government is extensively expanding and upgrading its healthcare system
- Developing a robust world-class healthcare infrastructure
- Healthcare expenditure expected to rise to US\$ 21.3 billion by 2021
- The need for local care is increasing
- UAE is now focusing on Expo 2020 where 192 countries are participating to innovate
This region

Your Bridge

The basis of successful customer guidance is information. The right information, at the right time, in the right place!

“Just imagine you are a pilgrim alone in the desert without any compass?”

That would be a real disaster – but that’s the sad reality of many companies!

The solution is easy: RIGHT GUIDANCE. Our huge local network and professional tools give you the unique chance to connect profitable companies in a short way. You gain more time to concentrate on your daily business without losing precious time by searching the right business opportunity abroad. And this is how easy it works...

ICPM’s unique success plan: UFA

- 1. We Understand your needs*
- 2. We Find the right companies that match exactly to your business goals*
- 3. We Arrange straight your next profitable meeting*

*“Let us be the
bridge to your
business treasure”*
